WELCOME

Welcome to yet another fun packed, foot pounding dance weekend extravaganza at Southport.

If the weather at Camber is anything to go by this weekend should reflect its name, and hopefully the outdoor Olympic private party on Saturday afternoon will put London to shame.

If this is your first visit to an Escape Weekend event then we hope it lives up to your expectations and opens your eyes to the huge dance scene that we are all a part of.

Our weekender ethos is to ensure that we provide classes of all levels for dancers of every standard. We believe in teaching you moves, styles and techniques that you can realistically take away with you and immediately put into your dancing.

Our team of teachers & DJs come from far and wide so you may see some familiar faces as well as some who can showcase something new and different, displaying their own particular style.

You will find over 40 classes and workshops detailed in this booklet and these sessions are free to attend.

If everything goes to plan this weekend, we will be hosting a couple of 'Silent disco' parties - so look out for the signs.

Hopefully this guide will give you all the information that you need, but any queries visit the Weather Centre between 10am - 10pm.

As ever if you have any feedback please email ceroc7@ceroc.com or grab a member of crew over the weekend.

Have a great weekend!

EXCEEDINGLY USEFUL INFORMATION

PARKING

There is ample parking at Pontins in Southport so there is no need to book a parking space in advance.

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the middle foyer near Stand Out Dancewear. The main Pontins reception is also manned and there is security on duty all night.

CLASS ROTATION

It will be possible to remain with a fixed partner in all classes if you choose. There will inevitably be more of one gender than another in some classes. However our gender balancing policy should alleviate this problem considerably.

DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind. There will be hours of dancing so remember to stay fresh and wash your hands frequently.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window. If your electricity is metered, you will need tokens. See 'Electricity' below.

CHECKOUT INFORMATION

You need to check out by **10am** on Monday 18th June 2012. Please leave your keys at the security gate upon departure.

DVD OF SCORCH WORKSHOPS

DVD of workshops taking place over the weekend, will be on sale from 10am on Sunday morning priced at £20 (£25 after the event, online). Go to the Weather Centre on Sunday to get your copy before they sell out! We are open till 10pm on Sunday.

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Private Lessons, Masterclasses, Massage and buy a range of Ceroc and Style DVD's. You can also drop your feedback form here once completed and torn out from the centre of this booklet.

COLOURED WRIST BANDS?

You are required to wear your gender coloured wristband all weekend. You cannot access the main entertainment's complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances or by roaming stewards. These wristbands cannot fall off by accident, they can only be removed with scissors and therefore if you lose your security wristband you will have to buy a replacement (£99).

TOWEL SWAPPING

If you have Club accommodation you can swap your towels during your stay. Ask reception for a towel swap.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate. Remember to turn the Water Heater off.

PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of Ceroc and may be used by them at any time.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

WHAT'S ON TV?

The PTV channel on your TV will show a live feed from the main Thunderball Room. There are 4 other channels available.

I'M HUNGRY!!!

No problem there! Bake'n'bite provides freshly baked crusty baguettes, croissant, sweet pastries and savoury snacks; Nisa convenience store provides all your essentials and a lot more, plus you can eat at the restaurant in the Pub located on site, the fish and chip shop and burger bar in the main foyer.

WHIRLWIND BAZAAR

Stand Out Dancewear Range are on hand for dance clothing and shoes. Located in the middle foyer between the main ballroom and the pub. www.standoutdancewear.co.uk

THANKS

Our weekend events would not be the success that they are without the assistance of our crew. It's the people behind the scenes from set-up through to take down, who often go unrecognised and we would therefore like to offer our appreciation to all the crew from Floor Layers, Wristband Checkers, Row Organisers, Taxi Dancers, Weather Centre Staff, Registration and the Duty Management Team. Special thanks go to Marc Forster, Chris Baker, Alan Finch & Myles Woodhouse.

Great Escapee Competition

This competition is now a feature at all of our major Weekenders. The winners are determined by the audience, and they will compete in the 'Great Escapee' final at the London Champs (May 2013).

This category will have just 1 round at the London Ceroc Champs and that will be the FINAL, so all you have to do is win your heat at a weekender then you get automatic entry to the National Ceroc Championship.

Winners of the Great Escape Final will receive a Free Chalet at an Escape Weekend (Southport, Camber or Brean Sands) in 2014.

So get your favourite dancing shoes on, get your supporters into the ballroom.... remember the spectators determine the winners.

Heats will take place during the Cabaret Hour so competitors and would-be judges need to be in the Thunder Ballroom on Saturday night by 10pm.

Teachers

ALEX FAULKNER (AF)

Winner of many Ceroc Champ titles and years of teaching experience to belie his age, Alex will be teaching footwork & liquid linking.

CRAIG ADDISON (CA)

Qualified Ceroc and Zumba teacher has more energy than one of those toys on a Duracell advert, and apparently he is also way more cute. Get ready for some lively latin inspired workout routines.

CHRIS & LEAH (C&L)

Chris Baker, once our youngest ever Ceroc teacher, now runs his own dance empire in the North East. With his Pole Dancing partner Leah they make aerials look easy !

CARL & MEL (C&M)

Regular fixtures and wonderful hosts at the Bristol 'Switch' nights, Carl & Mel are a popular duo with a slotted and dynamic style. At home in both the Main Room and the Chill Out Zone, you'll find the style they teach suits both rooms.

DEBBIE ATTWOOD (DA)

Whoever said Birmingham was all about canals and the Rotunda had clearly never been to one of Debbie's classes. She is more cutting edge than any High Speed link, and has the energy and enthusiasm that would shame any striking factory picket line!

EMMA PETTITT (EP)

Emma is a pocket rocket with posture, style and dance flowing through her veins. Winner of many Champs titles and bursting with choreography, amongst other things, she is offering the ladies some styling at this event.

FRANCK & SHEENA (F&S)

Franck and Sheena have the ability to break down technique in an easy and fun way to get you dancing smarter. They make even the most basic moves look and feel fantastic.

KIERAN MOORE (KM)

This young teacher from the West Midlands is a true dance genius and a dream to partner. This weekend he takes our beginners on their dance journey.

KERRY RUTHERFORD (KR)

Well experienced teacher from the North East, Kerry is popular with her local dancers. This weekend she is going to get you working that floor, but not forgetting spatial awareness!

LYNDSEY & MARK (L&M)

Mark & Lyndsey from South Wales ooze fresh and funky with energetic moves and routines. Breathing new life into the Ceroc dance scene in South Wales they are also the Welsh Champs Organisers. Always creative in their classes so Hot New Moves is a doddle for them!

MAJA KOCANOVA (MK)

Ceroc's latin queen. The gracious Maja will be mixing a unique cocktail of hot rhythms, inspiring technique, sweeping footwork, plenty of dance attitude with her own unique and sassy latin style.

MARC & RACHEL (M&R)

This adorable couple run the Milonga with Warren Richardson. So to get you comfortable in that environment they are teaching Tango for Ceroc and Argentine Tango this weekend.

PHIL WEBB (PW)

Phil is no stranger to the competition circuit and is certainly no stranger to 1st place and all the other shiny medals & trophies that go along with it. Starting out as a Ballroom & Latin Dancer, he has settled into the Ceroc dance scene and teaches style coupled with great routines.

PIOTR & MARTA (P&M)

All the way from Poland, and winners of this year's London Ceroc Champs, Piotr and Marta are here to show you some of their winning choreography. With a background in Salsa, Argentine Tango, Ballroom & Latin and Jive. Their style is awesome. You will get to see them perform their winning showcase on Saturday night and see just what you could learn across their 2 classes on Sunday.

STEVE & ALISON (S&A)

From Kent, the organiser and host of the ever popular Rochester Dance Junction events, Steve has been teaching Ceroc for over 10 years. He and his partner Alison have a beautiful, Bluesy flowing style and will be sharing their techniques this weekend with Ceroc to Blues.

TIM SANT (TS)

This young, highly talented dancer and teacher has a huge following that grows with each City he visits. As Head of Dance for Ceroc, Tim offers the latest techniques, the hottest style and the most innovative choreography.

TIM STEVENS (TST)

Now teaching in Wales, but originally from the London and Surrey area, Tim is a Street Dancer by heart who has developed his own funky style in Ceroc and teaches increasingly popular classes in Wales.

TOM BAKER (TB)

Having walked away with the 1st place Novice Title in his very first foray into the competitive world of US WCS, Tom has gone on to continue taking home titles in the UK competitions. Something that comes naturally to this young teacher who was once the undefeated Ceroc Open Champion 3 years in a row.

TONY & HAYLEY (T&H)

This funky young partnership have quite a few Ceroc Weekenders under their belt and return to Southport with ever popular Drops and Superdrops.

VAL & DAVID (D&V)

Blues Champs, Co-Creators of Utopia & Twisted and Organisers of the LUX Dance Weekend. David & Val have been teaching for over 8 years. Join their Blues Connection Masterclass on Sunday.
