WELCOME

Welcome to yet another fun packed, foot pounding dance weekend extravaganza at Southport.

Jack Frost likes this event, so it's become an event reserved for those people who truly love their dancing.

Our weekender ethos is to ensure that we provide classes of all levels for dancers of every standard. We believe in teaching you moves, styles and techniques that you can realistically take away with you and immediately put into your dancing.

Our team of Teachers & DJs come from far and wide so you may see some familiar faces as well as some new one's.

You will find nearly 40 classes and workshops detailed in this booklet and these sessions are free to attend. There are also some Masterclasses charged at £5 per head for small, fixed couple groups.

We are pleased to announce that Britain's Got Talent Finalist, Razy Gogonea will be performing his Matrix inspired show on Saturday night in the main ballroom.

We also have the Silent Disco on Saturday night in the Cyclone, which is a must if you've never tried it before.

Hopefully this guide will give you all the information that you need, but any queries visit the Weather Centre between 10am - 10pm.

As ever if you have any feedback please email ceroc7@ceroc.com or use the form inside.

A huge thank you, and respect, to those of you who braved the weather to make this another great weekender.

Have a great one!

EXCEEDINGLY USEFUL INFORMATION

PARKING

There is ample parking at Pontins in Southport so there is no need to book a parking space in advance.

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the middle foyer near Stand Out Dancewear. The main Pontins reception is also manned and there is security on duty all night.

CLASS ROTATION

It will be possible to remain with a fixed partner in all classes if you choose. There will inevitably be more of one gender than another in some classes. However our gender balancing policy should alleviate this problem considerably.

DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind. There will be hours of dancing so remember to stay fresh and wash your hands frequently.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window. If your electricity is metered, you will need tokens. See 'Electricity' below.

CHECKOUT INFORMATION

You need to check out by **10am** on Monday 4th February 2013. Please leave your keys at the security gate upon departure.

WORKSHOPS DVD

DVD of workshops taking place over the weekend, will be on sale from 10am on Sunday morning priced at £20 (£25 after the event, online). Go to the Weather Centre on Sunday to get your copy before they sell out!

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Private Lessons, Masterclasses, Massage and buy a range of Ceroc and Style DVD's. You can also drop your feedback form here once completed and torn out from the centre of this booklet.

COLOURED WRIST BANDS?

You are required to wear your gender coloured wristband all weekend. You cannot access the main entertainment's complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances or by roaming stewards. These wristbands cannot fall off by accident, they can only be removed with scissors and therefore if you lose your security wristband you will have to buy a replacement (£99).

TOWEL SWAPPING

If you have Club accommodation you can swap your towels during your stay. Ask reception for a towel swap.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate. Remember to turn the Water Heater off to save electricity.

PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of Ceroc and may be used by them at any time.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

WHAT'S ON TV?

The PTV channel on your TV will show a live feed from the main Thunderball Room. There are 4 other channels available.

I'M HUNGRY!!!

No problem there! Bake'n'bite provides freshly baked crusty baguettes, croissant, sweet pastries and savoury snacks; Nisa convenience store provides all your essentials and a lot more, plus you can eat at the restaurant in the Pub located on site, the fish and chip shop and burger bar in the main foyer.

WHIRLWIND BAZAAR

Stand Out Dancewear Range are on hand for dance clothing and shoes. Located in the middle foyer between the main ballroom and the pub. www.standoutdancewear.co.uk

THANKS

Our weekend events would not be the success that they are without the assistance of our crew. It's the people behind the scenes from set-up through to take down, who often go unrecognised and we would therefore like to offer our appreciation to all the crew from Floor Layers, Wristband Checkers, Row Organisers, Taxi Dancers, Weather Centre Staff, Registration and the Duty Management Team. Special thanks go to Marc Forster, Chris Baker, Alan Finch & Myles Woodhouse.

Teachers

CRAIG ADDISON (CA)

This London based Ceroc & ZUMBA teacher is hot property in London. His ZUMBA classes are amongst the busiest in the country and you'll find out why when you join him on Saturday and Sunday. He's also teaching some Ceroc this weekend.

DALE ST ROSE (DS)

This guy has won more trophies than Southport has seagulls! Main room, Blues Room, Chill Out Room....he's not lost in any space, and can style it up for any occasion. Girls... he loves to freestyle, so join the queue in the evenings. He's current Blues Champ too and awesome DJ known as Smood!

DEBBIE ATTWOOD (DA)

Whoever said Birmingham was all about canals and the Rotunda had clearly never been to one of Debbie's classes. She is more cutting edge than any High Speed link, and has the energy and enthusiasm that would shame any striking factory picket line (a common site in the Midlands!)

FRANCK & SHEENA (F&S)

Franck and Sheena from Scotland and organisers of the Scottish Ceroc Championships, have the ability to break down technique in an easy and fun way to get you dancing smarter. They make even the most basic moves look and feel fantastic. This weekend they will get you more connected, more musical and in-tune with your partner in their suite of 3 connection based classes. You can also dance to Sheena's music in all 3 rooms ... just look out for Tiggerbabe!

KATE HAMMERSLEY (KH)

Teaching Pilates this weekend. Kate has taught at many of our weekends and always gets rave reviews.

KIERAN & CHARLIE (K&C)

This young teaching couple who both teach for Ceroc have been rising stars for some time, and after a number of teaching assignments on the Ceroc Weekender circuit they have firmly found their place. Kieran was also titled West Coast Swing UK & European Open Newcomer 2010. See them teach both styles of dance this weekend.

LYNDSEY & MARK (L&M)

Mark & Lyndsey from South Wales ooze fresh and funky with energetic moves and routines. Breathing new life into the Ceroc dance scene in South Wales with their fun and vibrant style, they are also the Welsh Champs Organisers.

MAJA KOCANOVA (MK)

Ceroc's latin queen. The gracious Maja will be mixing a unique cocktail of hot rhythms, inspiring technique, sweeping footwork, plenty of dance attitude with her own unique and sassy latin style.

MARC & RACHEL (M&R)

This adorable couple run the Milongas with Warren Richardson and have a love and skill for teaching Argentine Tango. Their talents don't stop there though, with each of them adding a special je ne sais quoi at the decks when they are DJing.

MICHAEL CALDOW (MC)

Inspiring and developing our beginners this weekend is Michael Caldwell, Ceroc teacher for Ceroc Addiction in the North West. He will also be adding some Classics to the repertoires of some of our early intermediate dancers this weekend.

TIM SANT (TS)

This young, highly talented dancer and teacher has a huge following that grows with each City he visits. As Head of Dance for Ceroc, Tim offers the latest techniques, the hottest style and the most innovative choreography. Join the huge club of people who literally LOVE his classes!

TIM & HEATHER (TSH)

Winners of the Scottish Open Ceroc Championships in 2012 and teaching in Wales, this young couple are full of funky, original style. This weekend they give you some of their moves, tips and tricks that could get you 'Open' ready!

TONY & HAYLEY (T&H)

This funky young partnership have shown their dedication to the Escape Weekenders, being present at many of them. As a teaching couple, their classes are lively and fresh. This weekend they are our Dips & Drop pros introducing beginners to the safe techniques and more advanced 'droppers' the stuff that make people stop and look! you can also find Hayley DJ'ing the decks in the main room.

VAL & DAVID ROKOV (V&D)

Founders of Utopia & Ceroc Newbury, David & Val found their love for Blues dancing over 10 years ago. Former winners of the UK Open Blues championships and one of the UK's premier Blues teaching pairs, David & Val will be taking you on your own Blues journey this weekend.

WARREN RICHARDSON (WR)

Organiser & Teacher of the Brighton based Tango Bootcamps, Warren teaches Argentine Tango this weekend at introductory level and more advanced level in his masterclass. He is also one of our Milongs DJs Dance Inspired.
