WELCOME

Welcome to Camber Sands, home to the biggest dance weekenders.

Our weekenders ethos is to ensure that we provide classes of all levels for dancers of every standard. We believe in teaching you moves, styles and techniques that you can realistically take away with you and immediately put into your dancing.

We try hard to gender balance our events, but the problem we are finding is fewer girls are interested in the classes, so we have men over in many classes, but then the appearance of girls over in the freestyle. We obviously can't force anyone to dance in the day or the evening, but at least you now understand better the dynamic of the weekend.

Ceroc 'Escape' events are all about participation, whether that be the dance, social or performance aspects of the weekend, so there are opportunities for you to learn choreography which you can perform in the team cabaret performance, pub quizzes, Karaoke and of course the competitions.

You will find over 40 classes and workshops detailed in this booklet and with the exception of Masterclasses these classes are free to attend.

Included in the teacher line-up at Storm 2014 are one of England's top Latin amateur competitive dancers, Andrew Escolme and Amy Baker. They have represented England 5 times in the European and World Championships. Look out for their classes and showstopping performances on Saturday night.

Hopefully this guide will give you all the information that you need, but if you have any queries visit the Weather Centre between 10am - 10pm.

Have a great weekend!

EXCEEDINGLY USEFUL INFORMATION

PARKING

Parking is limited at Camber and consequently we sell parking vouchers leading up to the event. If you have not booked on-site parking then you will need to park off-site as we have sold out of spaces. Please note, you may be ticketed by the local authorities if you park illegally with any wheel on the pavement or grass. We cannot be held responsible for any loss or damage to vehicles. We may be able to let cars on-site from Sunday 2pm (check at the gate).

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the main foyer of the Centre. The main Pontins reception is also manned and there is security on duty all night.

CLASS ROTATION

Although we don't encourage it, it is possible to remain with a fixed partner in all classes.

There will inevitably be more of one gender than another in some classes. However our gender balancing policy should alleviate this problem considerably. There will be row organisers in all classes to assist.

DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind as we will not be held responsible for any injuries that you incur. There will be hours of dancing so remember to stay fresh and wash your hands regularly.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window. If your electricity is metered, you will need tokens. See 'Electricity' below.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate. Keeping the water heater on permanently will use a lot more electricity so you are advised to switch it off when not in use.

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Masterclasses, Private Lessons, Argentine Tango Sessions, Massage and buy from a range of Ceroc and Style DVD's.

LINEN AND TOWELS

Pontins are no longer providing these items. You can buy linen from reception Singles £5 and Doubles £8 to take home with you.

PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of CEROC and may be used by them at any time.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

I'M HUNGRY!!!

No problem! There are various places to get food on site including take away pizza, chicken etc at Whistle Stop situated outside the Queen Vic entrance, Hot Meals in Sands Restaurant situated behind the arcade, or for those looking to self cater a Nisa Convenience Store is also on-site.

CHECKOUT INFORMATION

You need to check out by **10am on Monday 17th March 2014**. Please leave your keys at reception or with the security gate upon departure.

DVD's OF STORM CLASSES

DVD's of all classes taking place over the weekend, will be on sale from 10am on Sunday morning priced at £20. NB the beginner Ceroc classes are not on this DVD but a DVD of just the beginners moves is on sale at the weather centre Go to the Weather Centre on Sunday to pick up your copy.

WHIRLWIND BAZAAR

Forgotten your Leopard skin dungarees or danced a hole in your shoes - then don't panic as Balca and her Stand Out Dancewear Range are located in the Main foyer. www.standoutdancewear.co.uk

DANCEWEAR

CLOAKROOM

There will be no cloakroom facility due to lack of use at previous events

COLOURED WRIST BANDS?

By now you will have been given a coloured wrist band. You are required to wear your wristband all weekend and they are coloured by gender. You cannot access the main entertainments complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances or by roaming stewards. When you are wearing the wristbands you can leave and re-enter the site at any time.

These wristbands can only be removed with scissors and therefore cannot fall off by accident. If you lose your security wristband you will have to buy a replacement (£99).

CEROC FOR BEGINNERS

In addition to the many advanced workshops this weekend, Ceroc has not forgotten its roots and we will be hosting workshops specifically designed for beginners. These will be held in the Main Ballroom, Cyclone Dance Zone & the Tempest Studio which is located in the far left corner of the main ballroom. These workshops will be progressive and totally rewarding.

Starting at 7pm on Friday and continuing throughout the weekend there will be 6 classes in total.

CEROC FOR NEW INTERMEDIATE DANCERS

Based on feedback from past events we also schedule classes for very early intermediate dancers so that we appeal to everyone. There are 6 of these over the course of the weekend, but also plenty of beginner sessions in other styles that will help your partner dancing in general. Look out for sessions that say (All) or (-Int)

WHERE AND WHEN?

Take a look at the events listing in this booklet which lists all the workshops happening during each day of the event. There is also a booking desk for the Ceroc Wellbeing sessions.

THE GODS OF THUNDER

Over the last 24 Escape weekenders we have put together an outstanding team of DJ's and continually add new upcoming talent to the mix to ensure that the music is always an inspiration. With DJ's from across the UK, we're hoping that this mix will provide the diversity of music that we think an event like this needs.

In the evenings there will be 3 rooms of Freestyle - Thunder Ballroom for Ceroc Classics; Cyclone for Chill-Out Music and Tango tunes in the Milongas taking place in Tempest Studio. See who's billed for each set in our schedule at the back of this booklet!

Our Gods of Thunder this weekend are:

Marc Forster, David Rokov, Garry Turner, Vince Silva, Paul Brooks, Rachel Pears, Dale 'Smood' St Rose, Richard Oliver, Kieran Moore, Warren Richardson 'Dance Inspired', Jonny Gammon, James Ross, Miranda Hewitt-Williams, Mike Griffin, Caroline Houlton, Keith Evans, Craig Addison & Erick Wilson

THANKS

Our weekend events would not be the success that they are without our great crew. It's the people behind the scenes from set-up through to take down, who often go unrecognised and we would therefore like to offer our appreciation to all the crew from Floor Layers, Wristband Checkers, Row Organisers, Taxi Dancers, Weather Centre Staff, Registration and the Duty Management Team. Special thanks go to Marc Forster, Jon Gammon, Alan Finch, Stu Bassie and Myles Woodhouse.
