Welcome

2018 celebrates 12 years of the biggest and best dance weekends with Ceroc. We have populated huge, fun-filled dance events that attract between 1000-2200 guests. To get that many like minded people continually congregating on dance weekends is a testimony to the passion of our dance community.

There are over 40 classes scheduled at this event. With such a vast range of different dance styles and 4 freestyle rooms offering diverse genres of music, there will be plenty to tickle everyone's fancy.

We urge you to dip your toes into everything we have to offer, and try something you've never tried before. Whether it's learning a new dance style, freestyling to a completely different genre of music or venturing into an unknown DJ's set, our weekends can open your eyes to brand new adventures. You may even discover a new found passion to take home!

We always gender balance our weekends, but cannot control who opts to do what classes or dance in particular dance zones, so there may appear to be an imbalance at certain times, but at least you understand better the dynamic of this weekend.

At Camber you will find that both the Boudoir and the Cyclone room are the daytime freestyle hubs, so if you want to step away from classes for a while, socialise or relax, there will be plenty of opportunity to grab a drink and bust a groove. We are rarely blessed with golden weather in March, however if the temperature is favourable, we'll lay the dance floor outside too.

There are 8 Escape Dance Weekenders every year and 3 of them are based at Camber, so if you love this one as much as we hope you will, you can get your next Camber fix from 29 June - 1st July. On-line bookings open for 'Jamfest' after this event. If you can't wait that long, be quick to book the sunny 'Scorch' at Southport, as this one always sells out super early!

Have an awesome weekend.

Mike, Tim and the entire Escape Committee x

Exceedingly Useful Information

PARKING

Parking is limited at Camber and consequently we sell parking vouchers leading up to the event. If you have not booked on-site parking then you will need to park offsite as we have sold out of spaces. Please note, you may be ticketed by the local authorities if you park illegally with any wheel on the pavement or grass. We cannot be held responsible for any loss or damage to vehicles. We may be able to let cars on-site from Sunday 2pm (check at the gate).

You can however drop your bags off onsite with a £50 refundable cash deposit, providing you leave within the hour.

This is the only event we charge for parking and this is simply to encourage car sharing as there are not enough parking spaces on-site and the town can't cope with excessive street parking. By charging for parking, we have been able to hold the price of accommodation.

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the foyer of the main complex. Pontins reception is also manned and there is security on duty all night.

CLASS ROTATION

Although we don't encourage it, it is possible to remain with a fixed partner in all classes. There will inevitably be more of one gender than another in some classes, however our gender balancing policy should alleviate this problem considerably. There will be row organisers in all classes to assist.

DANCE ETIQUETTE

Please be considerate to your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind as we will not be held responsible for any injuries that you incur.

There will be hours of dancing so remember to stay fresh and wash your hands regularly.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported to Pontins reception. If your electricity is metered, you will need tokens. See 'Electricity' overleaf.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and, out of hours, at Security at the Club Gate. Keeping the water heater on permanently will use a lot more electricity so you are advised to switch it off after your long and leisurely shower.

LINEN AND TOWELS

Pontins are no longer providing these items. You can buy linen from reception Singles £5 and Doubles £8 to take home with you.

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Masterclasses, Massage, organise Private Lessons and buy a range of Ceroc and Style DVDs.

PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of CEROC and may be used by them at any time.

Our social photographer is Graham Farey. A selection of photos taken over the weekend can be found on his Facebook page www.facebook.com/maidstonephotography, with the full album on www.ceroc.com on our Gallery page.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

I'M HUNGRY!

No problem! There are various places to get food on site including take away pizza, chicken etc at Whistle Stop situated outside the Queen Vic entrance, Hot Meals in Sands Restaurant (Open 8-10am, 12-2pm, 6-8pm) situated behind the arcade, or for those looking to self cater, a Nisa Convenience Store is also on-site.

CHECKOUT INFORMATION

You need to check out by 10am on Monday 12th March 2018. Please leave your keys at reception or with the security gate upon departure.

DVD OF STORM CLASSES

DVDs of workshops taking place over the weekend will be on sale from 10am on Sunday morning priced at £20 (£25+ after the event).

Visit the sale desk near the Weather Info Desk on Sunday to get your copy before they sell out! Note: Starters Orders, SILC and fee-based Masterclasses are not included.

WHIRLWIND BAZAAR

Forgotten your velour leotard or danced a hole in your favourite shoes? Don't panic as Balca and her Stand Out Dancewear range are located in the main foyer. www.standoutdancewear.co.uk

CLOAKROOM

There will be no cloakroom facility due to lack of use at previous events. Please be careful with your valuables, and only bring out what you need each night.

COLOURED WRIST BANDS

By now you will have been given a coloured wrist band. You are required to wear your wristband all weekend and they are coloured by gender. You cannot access the main entertainments complex where all the workshops and freestyle dancing are to be held, and where the bars and restaurants are situated, without a correctly coloured wristband. Wristbands will be checked at all entrances or by roaming stewards. When you are wearing a wristband you can leave and re-enter the site at any time.

These wristbands can only be removed with scissors and therefore cannot fall off by accident. If you lose your security wristband you will have to buy a replacement (£99).

CEROC FOR BEGINNERS

In addition to the many advanced workshops this weekend, Ceroc has not forgotten its roots and we will be hosting workshops specifically designed for Beginners. These will be held in the Tempest Studio which is located in the far left corner of the main ballroom. These workshops will be progressive and totally rewarding for all new starters. Commencing at 7.00pm on Friday and continuing throughout the weekend there will be 5 classes in total.

CEROC FOR NEW INTERMEDIATE DANCERS

Based on feedback from past events we also schedule classes for very early intermediate dancers so that we appeal to everyone. Look out for sessions that say (All) or (-Int).

WHERE AND WHEN?

Take a look at the events listing in this booklet which lists all the workshops happening during each day of the event. There is also a booking desk for the Ceroc Wellbeing sessions.

SPECIAL THANKS

Our weekend events would not be the success that they are without our exceptional crew. It's the people behind the scenes from Tuesday set-up through to Monday take down who often go unrecognised, and we would therefore like to show our appreciation to all the crew.

Floor Layers, Wristband Checkers, Row Organisers, Taxi Dancers, Gaynor Crocombe and the Weather Centre team, Registration and the Duty Management Team...you make this event what it is, so thank you.

Special thanks go to 'Head Bull' Myles Woodhouse and his many set up and pack down 'Calves', and Graham Farey from Heart-And-Soul Photography for taking our official 'snaps'!

SUN 06 MAY 2018

The London Champs is Ceroc's very own National Institution. This year is our 20th Championships and will undoubtedly be the one to win. The Champs is our longest standing annual national event and it's entirely possible we will have competitors this year who were not born when we ran the first one in 1998.

I've been involved with the Champs for the last 17 years and have seen quite a few changes in location and format but can genuinely say that the Champs now is the most fabulous event for both competitors and spectators that it has ever been.

We have made it as easy as possible for regular dancers to take part, so if you haven't competed previously then make this year YOUR year to experience the adrenaline and endorphins that make taking part in the Champs so exciting and addictive.

I'm very proud of this event and would love for you to share the Champs experience with me and our dedicated team.

Hopefully see you there.

Teachers

Adam Deller (AD)

Adam and partner Leigh are currently making waves in the South East. They are both exceptional dancers, talented choreographers and Ceroc Championship royalty...they've got the medals to prove it! This weekend, they'll teach you some dramatic freezes in their 'Emergency Stop!' lesson.

Becki Rendell (BR)

Ah Becki...lovely Becki...hip-shaking, shoulder-shimmying, show-stopping Becki. Oozing with style both on the floor and the stage, she is guaranteed to inspire your dancing and make you look as good as you feel. With a rich background in Latin, she is the perfect candidate for our Ladies styling, Zumba workouts and Bachata classes this weekend.

Ben Davies (BD)

This Escape newbie takes to the stage for the first time, but there's no doubt you will have seen Ben on the freestyle and competition floors across the country. A stand-out dancer and enthusiastic teacher, his Blending Rhythms masterclass will bring adventure and variety to your dance repertoire.

Brett Stewart (BS)

Who says you can't have brain, brawn and beauty? Dorset's Brett has been a Camber favourite for many years. His characteristic funky style is highly sought after, and at Storm he will 'Whirlwind' your repertoire with advanced turns and spins.

Caine Langford & Danni Moore (C&D)

Equipped with baby Betsy, this Bristol duo bring a wealth of knowledge, experience and talent to the Camber stage. Their multi-competition wins are a testament to their exceptional dance ability, and their inimitable teaching style packs out dance floors across the country.

Dale St Rose (DS)

'Smood' by name, and oh so smooth by nature. Our current Ceroc Open Championship winner Dale brings soul and attitude to the stage. This weekend he works on playful interaction and styling in his brand new "Make Me Smile" class.

Dan Hewitt-Green (DH)

With a rich background in Blues, Dan's lessons always focus strongly on technique, connection and style. His amazing new Masterclass 'Real-Time Choreography' will teach dancers of all abilities to construct innovative sequences of moves to match the musical structure; a highly recommended option this weekend.

David Addis (DA)

David dances and teaches across London and Surrey. An innovative choreographer, his lessons always feature original new moves and creative challenges. David is also one of the friendliest dancers on the floor - a true gentleman - so make sure you grab him for a twirl.

Ekow Oduro & Sarve Didar (E&S)

You'll be mesmerised as you watch Ekow and Sarve dance together, and they will give you every chance of mastering Zouk with their easy to follow Masterclass on Sunday. Versatile, stylish and positively bursting with talent, do not miss any opportunity to learn with them.

Glen Brooks (GB)

"Wasn't he DJing last night?" "No stupid...this is the OTHER twin." Half of the dynamic Brooks brothers and organiser of the sell-out Ceroc Swish weekender, Glen lives and breathes Ceroc. His classes are well loved by newbies and experienced dancers alike, and this weekend his 'Strictly Made Simple' lesson will give you buckets of style (with no need for sparkles).

James Boys & Tamara Domb (J&T)

Still wet behind the ears, James and Tamara only qualified as teachers this year. They both have a natural talent for teaching and this weekend they are bringing a fresh edge to the Beginners moves, looking after our much-loved new starters.

Jamie Eddy (JE)

What this guy don't know about dancing, to be frank, ain't worth knowing. Jamie and partner Jen have received rave reviews from their first few weekender appearances. Jamie also brings 'Men Styling' to the table this weekend...do I predict a dance-off Becki Rendell?

Jon Gammon (JG)

That's right! He is so much more than an awesome DJ! Jon emerges from behind the decks and onto the weekender stage for his explosive Dips with Whips workshop. Come and find out why his moves are just as highly regarded as his music.

Kieran Moore & Charlie Brownlee (K&C)

When two of the most talented and well-loved teachers join forces, you can expect dance floor magic. This dynamic partnership are always pushing the boundaries of dance, and their groundbreaking success with SILC is a testament to their innovation. Their unique teaching style ensures that both the leads and the follows leave their classes feeling enriched and confident.

Kirstie Roper & Shaun Dobie (K&S)

West Country lovelies Kirstie & Shaun are back by popular demand, and their lessons this weekend will cover two very desirable techniques. 'Turntastic' and 'Stylish Seducers' are on the menu; make sure you include them both in your very busy schedule.

Lisa Maddocks (LM)

Choreographic Mastermind Lisa is teaching your 3-hour Performance Team Cabaret lessons on Saturday afternoon, ready for the performance later during Cabaret hour. The highlight of the weekend for so many; she invites everybody to join in. The theme for Storm...Latin Reggaeton!

Marc Forster & Rachel Pears (M&R)

Marc & Rachel are once again hosting the increasingly popular Blues lounge this weekend. Amateurs and pros alike are welcomed to participate in these exciting freestyles in the Tempest Studio,. Newbies - make sure you check out their Blues Breaker lessons beforehand.

Matt Blain & Victoria Pollard (M&V)

Grand Masters at the Ceroc Championships, this awe-inspiring duo are gaining an excellent reputation for their teaching. If you want to be the best, then come and learn from the best...simples!

Simona Tatarova (STa)

The hottest new talent in Ceroc Kent explodes onto the weekender stage with 2 creative new lessons. The Escape Committee are really excited about 'Crescendo!'..."gradually increase the intensity of your moves to build drama in freestyle" - sounds super-sexy Simona!

Steve Thomas (ST)

Granted, he's getting on a bit, but with a sparkly new knee replacement, he has never felt more chipper. An incredibly talented teacher and choreographer, the inimitable Steve Thomas never fails to wow a crowd.

Tim Sant (TS)

Tim is Head of Dance for Ceroc, and when you attend his lessons, it won't take much time for you to realise why. Tim's teaching ability makes the unimaginable seem entirely possible, and his awesome humour will keep you entertained whilst you learn.

Toni Sails (ToS)

Ceroc London teacher Toni has already developed a unique style of his own. All dancers aspire to move like him, all women want to dance with him and all men want a body like his. Sorry men...we can't work miracles...but for everyone else, welcome to ToneZ.

Tony & Hayley Epps (T&H)

Another Ceroc match made in heaven. These funky freestylers are adrenaline junkies with a passion for high flying aerials and death defying drops. Their sellout Masterclasses are the firm favourite at every event. Let's see how brave YOU are this weekend.

Warren Richardson (WR)

There is no-one more capable than Warren when it comes to looking after our budding Tango aficionados. New to tango or seasoned pro? His classes and Milongas are the highlight of the weekend for so many.
