WELCOME

Welcome to Scorch, the 'Hot' Ceroc Weekender at Southport!

Whether you've been on a Ceroc weekender or not we would like to take this opportunity to welcome you and provide you with all the information that you will need to enjoy this weekend.

With rave reviews about our debut Southport Weekender in March we hope this one too will meet and exceed expectations.

The round the clock freestyle and international guest teachers went down a storm and so your schedule reflects these highly popular ingredients plus, weather permitting, alfresco dancing, so remember to apply your sunblock and peppermint foot cream!

The evenings will consist of 3 rooms of different music brought to you by a top line-up of DJ's and consisting of uptempo, popular and new sounds in the Main Ballroom; Latin, WCS and Milonga's in the Latin Quarter and a plethora of genres in the non-stop music hotspot - the Blues Lounge. To help you choose where you want to be at what times the weekend schedule in this booklet not only details the classes and teachers but also the DJ sets so that you can follow your favourite master of the decks.

This weekend also presents Jason Colacino & Duplessey Monic Walker, performers and professional dancers making their debut visit to the UK from the States. With a huge portfolio of dance genres, this weekend, Jason & Duplessey focus on WCS & Argentine Tango.

Of course, not everyone is interested in learning new styles, so to compliment these classes there are over 20 Ceroc move and style classes at varying levels, including beginners, so that there is something for everyone.

Hopefully this guide will give you all the information that you need to make this dance extravaganza an ultimate Ceroc experience, but if not there will be a manned information desk (Weather Centre) from 10am - 10pm all over the weekend to help you with your enquiries.

We don't expect to always get everything right and therefore any feedback that you wish to offer will be gratefully received. Please speak to me on-site or email scorch@ceroc.com

Have a fabulous time!
Mike Ellard

EXCEEDINGLY USEFUL INFORMATION

PARKING

There is ample parking at Southport, so you should find somewhere to park easily.

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated between the Boudoir and the Thunderball Room. The main Pontins reception is also manned and there is security on duty all night.

CLASS ROTATION

It will be possible to remain with a fixed partner in all classes if you choose. There will inevitably be more of 1 gender than another in some classes however our gender balancing policy should alleviate this problem considerably. There will be row organisers in all classes to assist and ensure people are not standing out for long.

DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind. There will be hours of dancing so remember to stay fresh and wash your hands.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window. If your electricity is metered, you will need tokens. See 'Electricity' below.

CHECKOUT INFORMATION

You need to check out by 10.30am on Monday 1st June 2009. Please leave your keys at the security gate upon departure.

COLOURED WRIST BANDS?

By now you will have been given a coloured wrist band. You are required to wear your wristband all weekend and they are coloured by gender. You cannot access the main entertainments complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances and by roaming stewards.

When you are wearing the wristbands you can leave and re-enter the site at any time.

These wristbands cannot fall off by accident, they can only be removed with scissors and therefore if you lose your security wristband you will have to buy a replacement (£99).

WHERE AND WHEN?

Take a look at the events listing in this booklet which lists all the workshops happening during each day of the event. There is also a booking desk for the Ceroc Wellbeing sessions.

CEROC FOR BEGINNERS

In addition to the many advanced workshops this weekend, Ceroc has not forgotten its roots and we will be hosting workshops specifically designed for beginners.

These will be held in the Main Ballroom & the Latin Quarter. These workshops will be progressive, and totally rewarding.

Starting at 6pm on Friday and continuing throughout the weekend there will be 5 classes in total.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

I'M HUNGRY!!!!

No problem there! Bake'n'bite provides freshly baked crusty baguettes, croissant, sweet pastries and savoury snacks; Nisa convenience store provides all your essentials and a lot more, plus you can eat at one of the 3 eateries on site. Take a look at the Planet Scorch map for locations.

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Private Lessons, Video Clinic & buy DVD's

WHAT'S ON TV?

The PTV channel on your TV will be showing Ceroc footage from previous events.

TOWEL SWAPPING

If you have Club accommodation then you can swap your towels during your stay. Please ask at reception for a towel swap.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate.

CLOAKROOM

There will be no cloakroom facility due to lack of use on previous events.

THANKS

Our weekend events would not be the success that they are

without the assistance provided by our crew.

It's the people behind the scenes from set-up through to take down, who often go unrecognised, and we would therefore like to offer our appreciation to all the crew, from Floor Layers, Wristband Checkers & Row Organisers to 'Weather Girls & Boys', Registration Crew & Taxi Dancers.

A special note of thanks must also go to Martin McElroy (Mac) and Marc Forster who's dedication to the set-up on every one of our events is hugely appreciated.

CEROC 'WELLBEING'

Throughout the weekend a team of professionally qualified complimentary practitioners will be on hand offering a variety of treatments to keep you feeling fresh and revitalised.

Deep tissue massage (£20 for 40min)

Great for releasing aches and restoring tired muscles.

Reflexology (£20 for 40min)

Great for stress and body, unblocking energy pathways and toxin release by stimulating pressure points located through the feet.

Indian Head Massage (£20 for 40 mins)

Treatment involves massage of the head, neck and facial areas with the intention of manipulating energy flow.

Acupuncture (£20 for 40 mins)

Uses fine sterile single use needles placed in specific points on the body to balance energy.

Kinesiology (£20 for 40 mins)

Gentle muscle testing and energy balancing, good for relieving and preventing muscle strain.

Hair Styling

Missed out on your visit to the hairdresser before Southport? Well not to worry, Lisa will be on site for ladies and gents cutting, colouring and styling. Visit the Weather Centre to see what's on offer and at what price.

Booking Info

All Treatments need to be booked in advanced at the 'Ceroc Wellbeing' desk located in the main foyer.

Payments to be made when booking - cash only. Early booking is advisable as treatments usually sell out.

MUSIC & DANCING

'The Gods of Thunder'

The evenings will consist of 3 rooms of different music played by bringing together the biggest line-up of DJ's on the scene. There will be lots of opportunities for the DJ's to play a real eclectic mix of music as well as regular sounds so that you can dance through the night and day.

The **Main Ballroom** playing popular and new uptempo sounds from the evening until 4.30am on Saturday and Sunday morning and until finally closing at 3.30am on Monday morning.

The **Latin 'Cyclone' Quarter** playing set genre pieces including pure Latin followed by Milonga and changing to WCS tunes as 'pm' turns to 'am'.

The **Blues 'Boudoir' Lounge**, otherwise known as the pub and the room with that extra bit of va va vooom, will be the non-stop music hot spot. Playing a traditional variation of Escape Chill-Out tunes whilst the Latin and Milonga sets are taking place in the Latin Quarter, to suit all those Blues & WCS enthusiasts and then losing the funky beat attractive to the Westies switching to Pure & Eclectic Blues until... well... when everyone goes home!

During the day-time the Blues Lounge becomes the music enthusiasts haven with set genres including Swingers Hour for a fast a furious fix, Chill-Out, S'Funk (that's Soul Funk!) and Rare Groove. And of course since so many of you love your opportunities on the decks there will still be a few Sack the DJ slots to make sure the music just keeps on playing!

Our Gods of Thunder this weekend are a truly brilliant line-up of DJ's:

John Baker, Marc Forster, David Rokov (DJ Rocky) , Garry Turner, Rob Ambridge (The Reverend), Ian (Oxo's) Morgan, Mike Ellard, Marie Delort, Sheena Assiph (Tiggerbabe), Rachel Pears, Dale St Rose, Annette Mahoney, Kam Rahman, Chris Uren, Jamie McGregor, Alison (ZebraWoman) Banning, Toby (Kenobe) Cross, Steve Kemp

Gender Balance Discount

The bookings for Splash will go live next week, all attendees this weekend
can guarantee themselves a gender balanced cashback of 33%.

Simply hand this form into the Weather Centre with a cash deposit of £20.

This deposit will entitle you to book an equally gender balanced
apartment and then receive a 33% cashback of the total value of the
apartment when you register at Splash providing that all occupants
register at exactly the same time.

This offer therefore does not apply to single occupancy or same sex
bookings. But it does apply to say an apartment with 3 males and 3
females. This offer is about trying to improve the gender balancing at
Southport in particular encouraging women to bring men with them. At
Scorch, we did not sell out yet we had over 600 girls on a waiting list.
When you book online you will pay the full price (although note we have
a new Credit Crunch price list for this Southport event), and when you
turn up at the event you will be given an actual cashback providing that
all occupants are able to register at exactly the same time.

If one of your friends for example is not able to make the event or is late,
then you will be able to collect your keys and enjoy the weekend, but you
will not be entitled to the cash back. This requirement is necessary to
protect the integrity of the gender balancing, which unfortunately is being
outwitted by some people desperate to attend our events.
