WELCOME

Whether you've been on a Ceroc weekend or not we would like to take this opportunity to welcome you and provide you with all the information that you will need to enjoy this weekend.

Hopefully you've prepared yourself for round the clock freestyle, but be sure to leave something in reserve for the Specialist guest teachers from the US and the UK. This weekend you can enjoy classes and freestyle in Ceroc, WCS, Blues, Street & Argentine Tango.

Our Dance Adventure representatives from Scotland are Argentine Tango Pros Jenny Frances & Ricardo Oria. For those wanting to learn / develop their Argentine Tango Jenny & Ricardo will be teaching 5 Tango classes this weekend from Beginners to Advanced levels.

Included in our dance adventure is Blues taught by former Blues Champions Val & David Rokov, West Coast Swing with Steve Hunt, Line Dance with Alex Faulkner and Street Dance with Tim Stevens.

Of course, not everyone is interested in learning new styles, so to compliment these classes there are over 20 Ceroc move and style classes from a selection of the UK's most creative and inspirational Ceroc teachers. These vary in levels, including beginners, so there's something for everyone.

We recognise that at a weekend music is incredibly important and therefore once again we have put together a DJ line-up hotter than leather seats in a Greek hire car. A huge thank you to all the DJs who work tirelessly even before the event compiling blazing playlists.

Escape events are not our 'core' business and therefore we price them as keenly as we can to ensure maximum occupancy. You will be pleased to know that we have reinvested the Escape profits from 2009 in a state of the art audio system and some additional fans. We now bring 18 tons of equipment to each event to hopefully create a unique dancing experience.

This guide should give you all the information that you need, but if not there will be a manned information desk (Weather Centre) from 10am -10pm over the weekend.

If we've missed anything please send feedback to ceroc7@ceroc.com or speak to the team this weekend.

EXCEEDINGLY USEFUL INFORMATION

PARKING

There is ample parking at Southport, so you should find somewhere to park easily.

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated between the Boudoir and the Thunderball Room. The main Pontins reception is also manned and there is security on duty all night.

CLASS ROTATION

It will be possible to remain with a fixed partner in all classes if you choose. There will inevitably be more of one gender than another in some classes. However our gender balancing policy should alleviate this problem considerably. There will be row organisers in all classes to assist and ensure that people are not standing out for too long.

DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind. There will be hours of dancing so remember to stay fresh and wash your hands frequently.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window. If your electricity is metered, you will need tokens. See 'Electricity' below.

CHECKOUT INFORMATION

You need to check out by 10.00am on Monday 18th October 2010. Please leave your keys at the security gate upon departure.

COLOURED WRIST BANDS?

By now you will have been given a coloured wrist band. You are required to wear your wristband all weekend and they are coloured by gender. You cannot access the main entertainments complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances and by roaming stewards.

When you are wearing the wristbands you can leave and re-enter the site at any time.

These wristbands cannot fall off by accident, they can only be removed with scissors and therefore if you lose your security wristband you will have to buy a replacement (£99).

WHERE AND WHEN?

Take a look at the events listing in this booklet which lists all the workshops happening during each day of the event. There is also a booking desk for the Ceroc Wellbeing sessions.

CEROC FOR BEGINNERS

In addition to the many advanced workshops this weekend, Ceroc has not forgotten its roots and we will be hosting workshops specifically designed for beginners. These will be held in the Main Ballroom & the Latin Quarter. These workshops will be progressive, and totally rewarding. Starting at 6pm on Friday and continuing throughout the weekend there will be 5 classes in total.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

I'M HUNGRY!!!!

No problem there! Bake'n'bite provides freshly baked crusty baguettes, croissant, sweet pastries and savoury snacks; Nisa convenience store provides all your essentials and a lot more, plus you can eat at one of the 3 eateries on site. Take a look at the Planet Scorch map for locations.

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Private Lessons, make enquiries & buy DVD's

WHAT'S ON TV?

The PTV channel on your TV will be showing Ceroc footage from previous events and on Saturday, classes taking place in the main ballroom can be viewed on your chalet TV.

TOWEL SWAPPING

If you have Club accommodation then you can swap your towels during your stay. Please ask at reception for a towel swap.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate.

There will be no cloakroom facility due to lack of use on previous events.

MUSIC & DANCING

'The Gods of Thunder'

The evenings will consist of 3 rooms of different music played by bringing together the biggest line-up of DJ's on the scene. There will be lots of opportunities for the DJ's to play a real eclectic mix of music as well as regular sounds so that you can dance through the night and day.

The **Main Ballroom** playing popular and new uptempo sounds from the evening until 4.30am on Saturday and Sunday morning and until finally closing at 3.30am on Monday morning.

The **Latin 'Cyclone' Quarter** home for the Tango & WCS Dancers.

The **Blues 'Boudoir' Lounge**, otherwise known as the pub and the room with that extra bit of va va voom, will be the non-stop music hot spot. Playing a traditional variation of Escape Chill-Out tunes whilst the Milonga sets are taking place in the Latin Quarter, to suit all those Blues & WCS enthusiasts and then losing the funky beat attractive to the WCS community switching to Pure & Eclectic Blues when WCS is playing in the Latin Quarter.

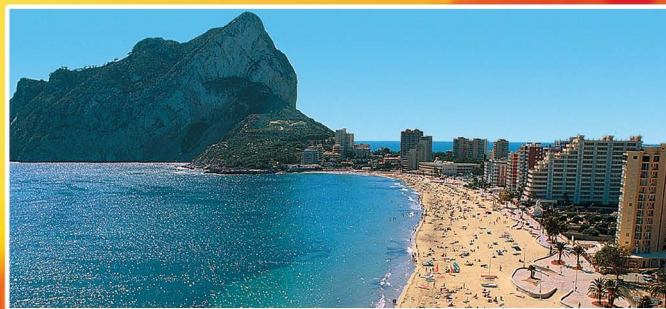

During the day-time the Blues Lounge becomes the music enthusiasts haven with set genres including Swingers Hour for a fast a furious fix, Chill-Out, S'Funk, and Pure Blues. And of course since so many of you love your opportunities on the decks there will still be a few Sack the DJ slots to make sure the music just keeps on playing!

Our Gods of Thunder this weekend are a truly brilliant line-up of DJ's:

Marc Forster, David Rokov (Rocky) , Garry Turner, Mike Ellard, Sheena Assiph (Tiggerbabe), Rachel Pears, Dale St Rose (Smood), Vince Silva (SilverFox), Warren (Dance Inspired) Richardson, Chris Baker, Chris Uren, Jamie McGregor, Alison (ZebraWoman) Banning, Keith Furness (DJ Blue Boy), Paul Foster, Al Griffin, Rob Ambridge (Reverend), Mike Sailsman, Steve Hunt & Hayley Nichols

Gender Balancing

As you know, we made the decision to introduce gender balancing into the weekend market as we believe very strongly that both boys and girls should have the same freestyle opportunities.

Unfortunately, however there is an increasing problem which is jeopardising our best efforts. Essentially, there is an increasing number of girls outwitting our booking process by booking an apartment for say 3 boys and 3 girls yet only the girls are turning up to the event.

At one of our recent events the number of men that didn't turn up was significant and although we appreciate that there will always be genuine reasons for people dropping out, the numbers involved are increasing and too great to be legitimate in our opinion.

For the time-being we cannot think of a way of preventing this happening, and therefore we are pleading with you to respect the spirit of the gender balancing as it's simply not fair on everyone else.

This event should be gender balanced to within 43 people.
