WELCOME

Welcome to Camber Sands, and the launch of our new Jamfest Weekender.

Our weekender ethos is to ensure that we provide classes of all levels for dancers of every standard. We believe in teaching you moves, styles and techniques that you can realistically take away with you and immediately put into your dancing.

This event is truly 'all about the music'. With the largest gathering of DJs on a dance weekender naturally there will be plenty of freestyle, but we have also included some fun DJ participative activities. Look out for 'Never Mind the Disc Jocks', 'Spin or Bin', 'Desert Island Discs' and 'Battle of the DJs'.

You can still expect the usual extensive array of classes throughout the weekend. It is free to attend the 40 classes and workshops detailed in this booklet with the exception of Masterclasses which cost £5 per head.

Hopefully this guide will give you all the information that you need, but if you have any questions, please visit the Weather Centre between 10am - 10pm.

If you survive the weekend, look out for the rest of our 2013 Escape events; Scorch, Splash, Breeze & Bliss. Breeze in October also features the European Blues Championships at Brean Sands.

Finally, have a fabulous weekend!

EXCEEDINGLY USEFUL INFORMATION

PARKING

Parking is limited at Camber and consequently we have been selling on-site, parking vouchers leading up to the event. If you have not booked parking on-site you will need to park off-site as we have sold out of spaces. Please note you may ticketed by the local authorities if you park illegally with any wheel on the pavement or grass.

We really don't like charging for parking, but as yet nobody has come up with a better idea for limiting the numbers of cars that descend upon Camber.

From midday Sunday, if you are parked off-site you can park on Centre (subject to availability).

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the main foyer of the Centre. The main Pontins reception is also manned and there is security on duty all night.

WHERE AND WHEN?

Take a look at the events listing in this booklet which lists all the workshops happening during each day of the event.

DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind as we will not be held responsible for any injuries that you incur. There will be hours of dancing so remember to stay fresh and wash your hands regularly.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate. Please be aware that keeping the water heater on permanently will use a lot of electricity.

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Masterclasses, Private Lessons, Massage and buy from a range of Ceroc DVD's.

PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of CEROC and may be used by them at any time.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

CHECKOUT INFORMATION

You need to check out by 10am on Monday 20th May 2013.

WHIRLWIND BAZAAR

CLASS ROTATION

It will be possible to remain with a fixed partner in all classes if you choose. There will inevitably be more of one gender than another in some classes. However our gender balancing policy should alleviate this problem considerably. There will be row organisers in all classes to assist.

By now you will have been given a coloured wrist band. You are required to wear your wristband all weekend and they are coloured by gender. You cannot access the main entertainments complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances or by roaming stewards. When you are wearing the wristbands you can leave and re-enter the site at any time.

These wristbands can only be removed with scissors and therefore cannot fall off by accident. If you lose your security wristband you will have to buy a replacement (£99).

All Terms and Conditions apply and can be found on our website.

THANKS

Our weekend events would not be the success that they are without the assistance of our crew. It's the people behind the scenes from set-up through to take down, who often go unrecognised and we would therefore like to offer our appreciation to all the crew from Floor Layers, Wristband Checkers, Row Organisers, Taxi Dancers, Weather Centre Staff, Registration and the Duty Management Team. Special thanks go to Marc Forster, Chris Baker, Alan Finch and Myles Woodhouse.
