For over 10 years Ceroc have been hosting huge, fun-filled dance weekenders that attract between 1000-2200 guests.

Our weekenders ethos as ever is to ensure we provide something for everyone; from beginner to advanced dancers and from the dedicated dance addicts to the social butterflies who love the fun!

There are over 40 classes scheduled including different dance styles and 5 rooms of freestyle offering various genres of music to appeal to everyone.

We always gender balance our weekends, but cannot control who opts to do which classes or dance in particular dance zones, so there may appear to be an imbalance at certain times, but at least you understand better the dynamic of this weekend.

At Camber you will find the pub is the daytime social hub, with pub quizzes, Swingers Hour and Sack the DJ, so if you want to step away from classes for a while and have a chat, laugh and some freestyle dancing, that's the place to go.

You can also find designated freestyle sessions in the Cyclone in the afternoon on Saturday and Sunday including the ever popular S'Funk hour.

There are 8 Escape Dance Weekenders every year and 3 of them are based at Camber, so if you love this one as much as we hope you will, you can get your next Camber fix on the 10th March 2017. On-line bookings open for 'STORM' after this event.

Have a fabulous weekend!

# Exceedingly Useful Information

## PARKING

Parking is limited at Camber and consequently we sell parking vouchers leading up to the event. If you have not booked on-site parking then you will need to park off-site as we have sold out of spaces. Please note, you may be ticketed by the local authorities if you park illegally with any wheel on the pavement or grass. We cannot be held responsible for any loss or damage to vehicles. We may be able to let cars on-site from Sunday 2pm (check at the gate).

This is the only event we charge for parking and this is simply to encourage car-sharing as there are not enough parking spaces on-site and the town can't cope with excessive street parking. By charging for parking, we have been able to hold the price of accommodation.

## PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the main foyer of the Centre. The main Pontins reception is also manned and there is security on duty all night.

## CLASS ROTATION

Although we don't encourage it, it is possible to remain with a fixed partner in all classes. There will inevitably be more of one gender than another in some classes. However our gender balancing policy should alleviate this problem considerably. There will be row organisers in all classes to assist.

## DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind as we will not be held responsible for any injuries that you incur. There will be hours of dancing so remember to stay fresh and wash your hands regularly.

## ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window. If your electricity is metered, you will need tokens. See 'Electricity' below.

**LINEN AND TOWELS** Pontins are no longer providing these items. You can buy linen from reception Singles £5 and Doubles £8 to take home with you.

## ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate. Keeping the water heater on permanently will use a lot more electricity so you are advised to switch it off when not in use.

## WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Masterclasses, Argentine Tango Sessions, Massage and buy from a range of Ceroc and Style DVD's.

## PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of CEROC and may be used by them at any time.

Our official photographer is Graham Farey and all photos taken over the weekend can be found on his Facebook group [www.facebook.com/maidstonephotography](http://www.facebook.com/maidstonephotography)

## WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

## I'M HUNGRY!!!

No problem! There are various places to get food on site including take away pizza, chicken etc at Whistle Stop situated outside the Queen Vic entrance, Hot Meals in Sands Restaurant situated behind the arcade, or for those looking to self cater a Nisa Convenience Store is also on-site.

## CHECKOUT INFORMATION

You need to check out by **10am on Monday 7th November 2016**.

Please leave your keys at reception or with the security gate upon departure.

## DVD OF BLISS CLASSES

DVD of workshops taking place over the weekend, will be on sale from 10am on Sunday morning priced at £20 (£25+ after the event).

Forgotten your Leopard skin dungarees or danced a hole in your shoes - then don't panic as Balca and her Stand Out Dancewear Range are located in the Main foyer. [www.standoutdancewear.co.uk](http://www.standoutdancewear.co.uk)

## CLOAKROOM

There will be no cloakroom facility due to lack of use at previous events

## COLOURED WRIST BANDS

By now you will have been given a coloured wrist band. You are required to wear your wristband all weekend and they are coloured by gender. You cannot access the main entertainments complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances or by roaming stewards. When you are wearing a wristband you can leave and re-enter the site at any time.

These wristbands can only be removed with scissors and therefore cannot fall off by accident. If you lose your security wristband you will have to buy a replacement (£99).

## CEROC FOR BEGINNERS

In addition to the many advanced workshops this weekend, Ceroc has not forgotten its roots and we will be hosting workshops specifically designed for beginners. These will be held in the Cyclone Dance Zone & the Tempest Studio which is located in the far left corner of the main ballroom. These workshops will be progressive and totally rewarding.

Starting at 7.30pm on Friday and continuing throughout the weekend there will be 6 classes in total.

## CEROC FOR NEW INTERMEDIATE DANCERS

Based on feedback from past events we also schedule classes for very early intermediate dancers so that we appeal to everyone. There are 7 of these over the course of the weekend, but also plenty of beginner sessions in other styles that will help your partner dancing in general. Look out for sessions that say (All) or (-Int)

## WHERE AND WHEN?

Take a look at the events listing in this booklet which lists all the workshops happening during each day of the event. There is also a booking desk for the Ceroc Wellbeing sessions.

## THANKS

Our weekend events would not be the success that they are without our great crew. It's the people behind the scenes from set-up through to take down who often go unrecognised and we would therefore like to offer our appreciation to all the crew from Floor Layers, Wristband Checkers, Row Organisers, Taxi Dancers, Weather Centre Staff, Registration and the Duty Management Team. Special thanks go to Head Bull Myles Woodhouse and his many Calves.

SUNDAY  
30th  
APR  
2017

ceroc  
champs

The London Champs is Cerocs' very own National Institution. This year is our 18th Championships and that means it started in the last decade, so is our longest standing annual national event and it's entirely possible we will have competitors this year who were not born when we ran the first one in 1998.

I've been involved with the Champs for the last 15 years and have seen quite a few changes in location and format but can genuinely say that the Champs now is a fabulous event for both competitors and spectators.

We have made it as easy as possible for regular dancers to take part, so if you haven't competed previously then make this year your year to experience the adrenaline and endorphines that make taking part in the Champs so exciting and addictive.

I'm very proud of this event and would love for you to share the Champs experience with me and our dedicated team.

Hopefully see you on the 1st May.
