This event is always very special as it kicks off the Escape season. We can't promise any sunshine this weekend, but we do guarantee some inspiring workshops and awesome DJ sets.

Our weekender ethos as ever is to ensure we provide something for everyone; from beginner to advanced dancers and from the dedicated dance addicts to the social butterflies who love the fun!

There are over 40 classes scheduled including different dance styles and 5 rooms for freestyle offering various genres of music to appeal to everyone.

We always gender balance our weekends, but cannot control who opts to do what classes or dance in particular dance zones, so there may appear to be an imbalance at certain times, but at least you understand better the dynamic of this weekend.

At Southport you will find the pub is the daytime freestyle hub, so if you want to step away from classes for a while, socialise or relax then pop into the pub where we are hosting 24 hour freestyle!

We are also delighted to see the return of Robert Cordoba at Blush. Our WCS Pro, from the US, will be running his own fast track masterclass programme in the Hurricane Shelter. More info can be found on page 16 of this booklet.

There are 8 Escape Dance Weekenders every year and 3 of them are based at Southport, so if you love this one as much as we hope you will, you can get your next Southport fix on the 9th June. On-line bookings open for 'Scorch' after this event.

Thanks for helping us kick-start 2017 with a great first event.

Exceedingly Useful Information

PARKING

There is ample parking at Pontins in Southport so there is no need to book a parking space in advance.

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the middle foyer near Stand Out Dancewear. The main Pontins reception is also manned and there is security on duty all night.

CLASS ROTATION

Although we don't encourage it, it is possible to remain with a fixed partner in all classes.

There will inevitably be more of one gender than another in some classes. However our gender balancing policy should alleviate this problem considerably.

DANCE ETIQUETTE

Please be considerate of your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind. There will be hours of dancing so remember to stay fresh and wash your hands frequently.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception window. If your electricity is metered, you will need tokens. See 'Electricity' below.

CHECKOUT INFORMATION

You need to check out by **10am** on Monday 27th February 2017. Please leave your keys at the security gate upon departure.

DVD OF BLUSH WORKSHOPS

DVD of workshops taking place over the weekend will be on sale from 10am on Sunday morning priced at £20 (£25+ after the event). Near the Weather Info Desk on Sunday to get your copy before they sell out!!!

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Private Lessons, Masterclasses, Massage and buy a range of Ceroc and Style DVD's. Please remember to leave us your feedback form from the centre of this booklet.

COLOURED WRIST BANDS?

You are required to wear your gender coloured wristband all weekend. You cannot access the main entertainment's complex where all the workshops and freestyle dancing is to be held, and where the bars and restaurants are situated without a correctly coloured wrist band. Wristbands will be checked at all entrances and by roaming stewards. These wristbands cannot fall off by accident, they can only be removed with scissors and therefore if you lose your security wristband you will have to buy a replacement (£99).

WIFE SWAPPING Provided by Ceroc immediately after the Cabarets.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased at Pontins Main reception counter and out of hours at Security at the Club Gate. Remember to turn the Water Heater off.

PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of Ceroc and may be used by them at any time.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

ceroc
champs

The London Champs is Cerocs' very own National Institution. This year is our 19th Championships and that means it started in the last decade, so is our longest standing annual national event and it's entirely possible we will have competitors this year who were not born when we ran the first one in 1998.

I've been involved with the Champs for the last 15 years and have seen quite a few changes in location and format but can genuinely say that the Champs now is a fabulous event for both competitors and spectators.

We have made it as easy as possible for regular dancers to take part, so if you haven't competed previously then make this year your year to experience the adrenaline and endorphines that make taking part in the Champs so exciting and addictive.

I'm very proud of this event and would love for you to share the Champs experience with me and our dedicated team.

Hopefully see you on the 30th April.

Gender Balancing

As you know, we made the decision to introduce gender balancing into the weekender market as we believe very strongly that both boys and girls should have the same freestyle opportunities.

Unfortunately, however there is an increasing problem which is jeopardising our best efforts. Essentially, there is an increasing number of girls outwitting our booking process by booking an apartment for say 3 boys and 3 girls yet only the girls are turning up to the event.

At recent events the number of men not turning up has been significant and although we appreciate that there will always be genuine reasons for people dropping out, the numbers involved are increasing and too great to be legitimate in our opinion.

For the time-being we cannot think of a way of preventing this happening, and therefore we are pleading with you to respect the spirit of the gender balancing as it's simply not fair on everyone else.

This event should be gender balanced to within 27 people.

Great Escapee Competition

The Ceroc Champs heats - featured at all of our major Escape Weekenders and the audience vote! Qualify for the Great Escapee Category of the 2017 Ceroc Championships. This category will have just 1 round at the London Ceroc Champs and that will be the FINAL, so all you have to do is win your heat at a weekender then get automatic entry to the National Ceroc Championships.

Winners of the Great Escape Final will receive a Free Chalet at an Escape Weekend (Southport or Camber) in 2018. So get your favourite dancing shoes on, get your supporters into the ballroom.... remember the spectators determine the winners.

Heats will take place during the Cabaret slot so competitors and would-be judges need to be in the Thunder Ballroom on Saturday night by 10.45pm.
