Friday 16th February - Monday 19th February 2018

Welcome to **SWISH 2018!** If this is your very first time experiencing this particular weekender, we wish you a very warm welcome and we hope that you thoroughly enjoy the Swish experience. For those of you returning, we thank you for your continued support. We could not run such a great event without you.

During this Escape weekend, we will be offering you over 30 varied dance workshops together with a number of diverse sporting activities including the Segway Challenge, Giant Swing, Kurling, Rock Climbing Wall, Clay Pigeon Shooting, Archery and the Ultimate Game of Volleyball, to name just a few. New for this year is the 'Neon Glow Party Night' which is taking place on Sunday evening. The Potters Theatre Company have prepared a selection of top quality shows to entertain you after dinner each evening. Freestyle will kick off from 10.00pm continuing until the early hours of the morning. If this wasn't enough and to keep you dancing all night, there will be a midnight snack available too. Saturday night will be an optional smart dress evening (suits and dresses) with a Bucks Fizz reception before dinner.

Please take a moment to read this programme to ensure that you don't miss out on any of the activities.

On behalf of Ceroc and Potters Resort we welcome you to Swish and we hope that you have a fantastic weekend.

Useful Information

Swish DVD 2018

It's impossible to attend all the classes this weekend and how can you remember everything you learn? Well we have the solution!!! We are producing the official Swish DVD which contains the classes from the weekend. **(Please note, the SILC classes are not included).**

The DVD will be available to purchase from Sunday morning at 10.00am from the Ceroc Information Desk at the special discounted rate of £20 (usually £25+p&p online). There is limited availability so grab your copy before they sell out and take it home with you!

Fixed Couples In Classes

We completely understand why some couples would wish to dance in classes together. Classes involving lots of drops and/or aerials are perfect to do with a fixed partner, however, Ceroc is built upon a social foundation and we are a community where everyone helps everybody else. Moving around in a class ultimately helps you become a better dancer whether you are leading or following and therefore we would like to kindly request that wherever possible you join in with the main class (rather than remaining fixed) so that everyone has a better Swish experience. We thank you in advance for your understanding and co-operation.

Nu-Line Dance

Over the past five years Tim Sant has choreographed a line dance which is danced at every single weekend up and down the country and several freestyles. We are always lucky here at Swish being the first weekend to get to learn the new dance. So please don't forget to come and join us on Friday evening in the theatre at 5.45pm to learn this years new Nu line!

DJs at Swish 2018

Ashley Davis

A regular DJ for his class nights and freestyles across Ceroc Heaven, most recently at the amazing Kelham manor house event, his enthusiasm as well as love for music will provide you with a great mix of old and new tracks to get the atmosphere buzzin' and keeping you on that dance floor.

Buzby Allen

Buzby is one of the resident DJs here at Potters and is renowned for keeping the dance floor packed. Having started Ceroc himself 12 years ago (when Swish began) with his own unique dance style, he hasn't looked back since. You will find Buzby in the Theatre spinning the Ceroc Classics prior to showtime.

Denise Jaques

Denise has been dancing for many years and as a result knows exactly what makes a great song to dance too. Regular Ceroc weekender and Eclipse freestyle Silc DJ, Denise is growing in popularity by the minute. Come along to one of her inspirational sets to find out why.

Glen Brooks

With Glen's teaching experience of 15 years, he is also a dab hand on the DJ decks. Knowing exactly what tunes to play to keep you on the dance floor. Ranging from your Ceroc Classics fused with the current tracks of today along with the odd SILC track thrown in for good measure, his sets will appeal to all.

Jen Eddy

What Jen doesn't know about music frankly isn't worth knowing. She has a keen ear for music which she demonstrated by playing the competition music at the 2017 Welsh Champs.

Joe Toko

Joe absolutely loves a good mix of R&B, Chart, Motown and Soul music. Being an impressive dancer himself, Joe plays tracks full of musicality to allow you to express yourselves. He plays modern tracks mixed with timeless Classics and is a very popular DJ in Essex. Come along and support him for his first time at Swish!

Kieran Moore

Starting as a DJ for Ceroc in Birmingham, almost before he was out of nappies, Kieran is now resident DJ & host at many top events in London and the East of the UK. Being brought up on Soul music, Kieran has a strong passion for music and regularly DJs at both national and international dance events. His penchant for all genres makes him hot property on the DJ circuit.

DJs at Swish 2018

Marc Forster and Rachel Pears

Veterans Marc & Rachel's love of music & dance stretches back to the 80s where it has always played a part in their lives. These days they fully indulge their passion full-time hosting dance events throughout Beds and Bucks.

"The main purpose of Ceroc, as we see it, is bringing people together. Music is the key to a good night and the DJ is instrumental in making sure nobody is left out. Everybody should be able to relate to what you are playing."

Paul Brooks

Paul is the main man here at Swish being responsible for music across the event. He is also Head DJ at the London Ceroc Champs which he has been doing for the last six years. Before working for Ceroc, Paul was a full time DJ both at weddings and parties and also on the radio. There are no boundaries to his talents and music knowledge.

Robert Ellis

For the last nine years Robert has pioneered the music for Ceroc Fusion's Smooth Nights and other Chillout rooms in the South East of the country. He spends many hours sourcing Smooth, Liquid Latin, Blues and West Coast Swing tracks to ensure the perfect blend of music for his nights. Back for his eighth consecutive year at Swish, Robert is excited to be sharing these with you in the SILC Room over the weekend.

Steve Clarkson

Ceroc teacher and DJ for over 21 years, Steve is a regular at all the local Norfolk venues. He is a full-time DJ, not only for Ceroc but also for many private bookings for weddings and parties. He knows just what to play to keep the dance floor alive and he loves upbeat funky music.

Tim Sant

As comfortable behind the decks as he is on the dance floor, Tim can confidently bring the party to any Ceroc or SILC freestyle. With an eclectic taste in music, you can expect big variety from his DJ sets, from well-known classics to brand new releases.

Tony Riccardi

This Essex boy was a mobile DJ in his younger days and since moving to the West Midlands four years ago, has returned to the decks as a regular for Ceroc Groove in Birmingham and Worcester. He's also been pumping the main room at the Ceroc Weekenders as well as providing the freestyle music at the 2017 Ceroc Champs. In addition, this year he will be DJ'ing for Ceroc South Wales at the Cardiff freestyles.
