## Welcome

2018 raised a glass to our most popular Ceroc Escape weekenders to date, and 2019 promises to be even bigger and better. Our awesome dance events that attract between 1200-2200 guests celebrate the finest teachers, the best-renowned DJs and the most passionate dance community on the planet.

This weekend, there are over 40 classes scheduled. For those with an extracurricular interest, the legendary Robert Cordoba returns with 6 new West Coast Swing Masterclasses, and Omar Sosa debuts with 6 groundbreaking Tango Masterclasses. On top of this, your favourite Ceroc teachers will return, along with a handful of new faces, all equally as enthusiastic to showcase their latest choreographies and workshop content.

These weekenders are an amazing opportunity to try something new. Our DJs work tirelessly to source fresh and exciting music, as well as playing your favourite dance classics, and with 4 freestyle venues to choose from, the only problem you'll encounter is when to stop and take a break!

We always gender balance our weekends, but cannot control who opts to do what classes or dance in particular dance zones, so there may appear to be an imbalance at certain times (but at least you understand better the dynamic of this weekend).

There are 8 Escape Dance Weekenders every year and 3 of them are based here at Southport. If you love this one as much as we hope you will, you can get your next Southport fix from 7-9 June 2019...online bookings open for 'Scorch' after this event. If you can't wait that long, try 'Storm' at Camber Sands in a mere fortnight!

We are so excited to welcome you here...have an awesome weekend.

Mike, Tim and the entire Escape Committee x

# Exceedingly Useful Information

## **PARKING**

There is ample parking at Pontins in Southport so there is no need to book a parking space in advance.

## **PROBLEMS?**

If you have any problems or questions please come to the 'Weather Information Centre' situated in the middle foyer. The main Pontins reception is also manned and there is security on duty all night.

## **ACCOMMODATION**

Your apartment will not be cleaned during the weekend. All breakages or problems must be reported at the Pontins reception. If your electricity is metered, you will need tokens.

## **ELECTRICITY**

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens can be purchased from machines near the Pontins Main reception, or out of hours at Security at the Club Gate. Remember to turn your Water Heater off to save power and money.

## **WHAT'S ON TV?**

The PTV channel on your TV will show a live feed from the main floor.

## **I'M HUNGRY!**

The Chip shop will be open over the weekend, exact times available from the reception. The Nisa convenience store provides all your essentials, plus you can eat at the restaurant adjacent to the Hurricane Shelter.

## **WEATHER INFORMATION CENTRE**

Located in the middle foyer, this is where you can book Private Lessons, Masterclasses, Massage and buy a range of Ceroc, SILC and Style DVDs. Please remember to leave us your feedback form from the centre of this booklet.

## **CHECKOUT INFORMATION**

You need to check out by 10am on Monday morning. Please remember to return your keys to reception or leave them at the security gate upon departure.

## **WATER & GOING GREEN**

We have organised complimentary water from coolers in the main dance venues (subject to availability). Please use as few plastic cups as possible at the water coolers, or feel free to bring your own flask to fill (but please be aware that Pontins operate a no glass policy.)

We are gradually phasing out plastic welcome packs

## **COLOURED WRIST BANDS?**

You are required to wear your coloured wristband all weekend. Without it, you cannot access the main entertainment complex, the workshops and freestyle dancing, the bars or restaurants. Wristbands will be checked at all entrances and by roaming stewards. These wristbands cannot fall off by accident, they can only be removed with scissors, and therefore if you lose your security wristband you will have to buy a replacement (£99).

## **CLASS ROTATION**

Although we don't encourage it, it is possible to remain with a fixed partner in all classes. There will inevitably be more of one gender than another in some classes, however our gender balancing policy should alleviate this problem considerably.

## **WCS & TANGO**

Pre-booked WCS Masterclasses with Robert Cordoba, and Tango Masterclasses with Omar Sosa, can be paid for at the Weather Centre. We can also fill any last minute vacancies or add you to the waiting list and contact you in the event of any cancellations. Full details can be found on Page 18 & 19.

## **DANCE ETIQUETTE**

Please be considerate of your partner and fellow dancers and remember Airsteps are not permitted for safety reasons. Take care when doing any form of drop, keeping safety and spatial awareness at the forefront of your mind. There will be hours of dancing so remember to stay fresh, change your clothes as necessary and wash your hands frequently. Do not walk with drinks across the dance floor. Treat all of our dancers with the same respect that you would expect yourself.

## **PHOTOGRAPHS AND FILMING**

All recordings and photographs made during this event are the property of Ceroc and may be used by them at any time. With special thanks to Tony Pullen and Mike Godleman, our resident photographers who work tirelessly to bring you fantastic memories of your weekend.

## **TERMS & CONDITIONS**

All Terms & Conditions apply and can be found on our website.

## **DVD OF WORKSHOPS**

A DVD of workshops taking place over the weekend will be on sale from 10am on Sunday morning, priced at £20 (£25+ after the event). Visit the DVD sales desk near the Weather Info Desk on Sunday to get your copy before they sell out!

NB: Starters Orders (Beginners), SILC and fee-based Masterclasses are NOT included. Saturday Cabaret and Saturday Freestyle footages are included!

Some of our most inspirational changes have come directly from you, so don't be shy... grab a pen.

# THE GODS OF THUNDER

The evenings will consist of 4 rooms playing different music from our outstanding line-up of DJs.

The 'Thunderball Room' plays popular and new uptempo sounds every evening until the early hours.

The 'Cyclone' plays host to the smooth Blues sets.

The 'Hurricane Shelter' is open for our WCS addicts.

The 'Boudoir' SILC Lounge, otherwise known as the 'Pub', will be the non-stop music hot-spot in the daytime, and will play a mix of chilled genres every night until the sun comes up.

Our Gods of Thunder this weekend are:

Ashley Davis, Clive Gidney, Mike Ellard, Dale St Rose, James Ross, Kevin Hyde, Mark O'Reilly, Neil Strugnell, Nicola Di Folco, Sheena 'Tiggerbabe' Assiph, Robert Cordoba, Hayley Epps, Tony Riccardi, Vince Silva, Jon Gammon, Marc Forster, Rachel Pears, Tim Sant-Turner, Steph Oram, Debs Attwood and 'Whisperin' Vinnie".

## SPECIAL THANKS

Our events simply would not be the success that they are without our exceptional crew. It's the people behind the scenes, from set-up through to take down, who often go unrecognised and we would therefore like to show our appreciation to everybody who helps with the smooth running of our amazing weekenders.

Floor Layers, Wristband Checkers, Row Organisers, Taxi Dancers, the inimitable Gaynor Crocombe and the Weather Centre team, Registration assistants and the Duty Management Team...you make this event what it is, so thank you.

Special gratitude goes to Myles Woodhouse and his many set up and pack down Bulls, who graft hard whatever the weather.

## SUN 05 MAY 2019

The London Champs is Ceroc's very own National Institution. Last year, our 20th Championships was the biggest and best yet, with new competitors, new categories, the highest number of first time participants that we have ever celebrated, and some incredible new talent taking home trophies.

The Champs is our longest standing annual national event and odds are on for our 21st Birthday to top them all!

I've been involved with the Champs for the last 18 years and have seen quite a few changes in location and format but can genuinely say that the Champs now is the most fabulous event for both competitors and spectators that it has ever been.

We have made it as easy as possible for regular dancers to take part, so if you haven't competed previously then make this year YOUR year to experience the adrenaline and endorphins that make taking part in the Champs so exciting and addictive.

I'm very proud of this event and would love for you to share the Champs experience with me and our dedicated team.

Hopefully see you there! David Bradley, Event Organiser

Don't miss the first 2 lessons, back to back, Friday from 7pm.

Motown hour is one of the most popular DJ sets of the weekend, with both solo dancers and couples filling the dance floor with joy and energy. Making her teaching debut at Ceroc Escape, Northern Soul expert Sharon has choreographed an exciting solo footwork workshop to give you the stylish edge. If you have ever seen Sharon move, you will know exactly why this is a class not to miss.

### **Tim Stevens (TS)**

Tim continuously pushes the boundaries of styling and musicality to bring you the freshest movements and choreographies. He breathes new and funky life into simple moves to make even the newest dancer look like an accomplished pro. If you want to move like the competition legends, 'Body Isolations' is an exciting styling challenge for high ability dancers.
