Welcome

2018 raised a glass to our most popular Ceroc Escape weekenders to date, and 2019 promises to be even bigger and better. Our awesome dance events that attract between 1200-2200 guests celebrate the finest teachers, the best-renowned DJs and the most passionate dance community on the planet.

This weekend, there are over 50 classes scheduled. As well as some returning favourites, expect brand new Ceroc routines, Dance Adventure in the form of SILC, Latin Blues, AfroBeats, Argentine Tango, Northern Soul, Quickstep, Rumba, Burlesque & Yoga, and a new and exciting Dance and Nutrition Masterclass hosted by our resident expert Natalie Baker.

These weekenders are an amazing opportunity to try something new. Our DJs work tirelessly to source fresh and exciting music, as well as playing your favourite dance classics, and with 4 freestyle venues to choose from, the only problem you'll encounter is when to stop and take a break!

We always gender balance our weekends, but cannot control who opts to do what classes or dance in particular dance zones, so there may appear to be an imbalance at certain times (but at least you understand better the dynamic of this weekend).

There are 8 Escape Dance Weekenders every year and 3 of them are based here at Camber. If you love this one as much as we hope you will, you can get your next Camber fix from 28-30 June 2019...online bookings open for 'Jamfest' after this event. If you can't wait that long, try 'Scorch' at Southport from 7th-9th June...we're already close to selling out so don't miss out on your chance to book!

We are so excited to welcome you here...have an awesome weekend.

Mike, Tim and the entire Escape Committee x

Exceedingly Useful Information

PARKING

Parking is limited at Camber and consequently we sell parking vouchers leading up to the event. If you have not booked on-site parking then you will need to park offsite as we have sold out of spaces. Please note, you may be ticketed by the local authorities if you park illegally with any wheel on the pavement or grass. We cannot be held responsible for any loss or damage to vehicles. We may be able to let cars on-site from Sunday 2pm (check at the gate). You can however drop your bags off onsite (on the Friday only) with a £50 refundable cash deposit, providing you leave within the hour.

This is the only event we charge for parking and this is simply to encourage car sharing as there are not enough parking spaces on-site and the town can't cope with excessive street parking. By charging for parking, we have been able to hold the price of accommodation.

PROBLEMS?

If you have any problems or questions please come to the 'Weather Information Centre' situated in the foyer of the main complex. Pontins reception is also manned and there is security on duty all night.

WEATHER INFORMATION CENTRE

Located in the main foyer, this is where you can book Masterclasses, Massage, organise Private Lessons and buy a range of Ceroc, SILC and Style DVDs.

CLASS ROTATION

Although we don't encourage it, it is possible to remain with a fixed partner in all classes. There will inevitably be more of one gender than another in some classes, however our gender balancing policy should alleviate this problem considerably. There will be row organisers in all classes to assist.

DANCE ETIQUETTE

Please be considerate to your partner and fellow dancers and remember airsteps are not permitted for safety reasons. Take care when doing any form of drop keeping safety and spatial awareness at the forefront of your mind as we will not be held responsible for any injuries that you incur. There will be hours of dancing so remember to stay fresh and wash your hands regularly.

AERIALS, LIFTS AND DROPS

If you anticipate participating in any aerials, lifts or drops class, then we strongly recommend you bring your own safety matting, as Ceroc will not be providing any. We did provide details of a supplier in your confirmation email, and hopefully therefore you have organised your own. Ceroc will not be held responsible for any personal injury at our weekenders, and therefore it's for you to ensure you are comfortable with the content. You should leave a class if you are not entirely confident with the content.

ACCOMMODATION

Just to remind you, your apartment will not be cleaned during the weekend. All breakages or problems must be reported to Pontins reception. If your electricity is metered, you will need tokens.

ELECTRICITY

If you are in Classic or Budget accommodation you will need tokens which feed the meter. Tokens are purchased from machines near the Pontins main reception counter and, out of hours, at Security at the Beach Gate. Keeping the water heater on permanently will use a lot more electricity so you are advised to switch it off after your long and leisurely shower.

LINEN AND TOWELS

Pontins are no longer providing these items. You can buy some rather trendy linen from reception Singles £5 and Doubles £8 to take away with you, or simply bring your own finest Egyptian cotton from home.

WATER

We have organised complimentary water from coolers in the main dance venues (subject to availability).

GOING GREEN!

For environmental reasons, Ceroc have decided to gradually phase out the use of plastic gift bags when you arrive. We also urge you to bring your own reusable beaker or bottle out with you each evening (if your tippie is water) so we can reduce the number of plastic cups being wasted. For health and safety, Pontins have a no glass policy, so any of your own glass bottles or beakers will be removed by security.

I'M HUNGRY!

No problem! There are various places to get food on site including take away pizza and chicken at Whistle Stop (situated outside the Queen Vic entrance), hot meals in Sands Restaurant (situated behind the arcade) or for those looking to self cater, a Nisa Convenience Store is also on-site (next to the Beach Gate).

DVD OF CLASSES

DVDs of workshops taking place over the weekend will be on sale from 10am on Sunday morning priced at £20 (£25+ after the event). Visit the sales desk near the Weather Info Desk on Sunday to get your copy before they sell out! Note: Starters Orders, SILC and fee-based Masterclasses are not included.

PHOTOGRAPHS AND FILMING

All recordings and photographs made during this event are the property of CEROC and may be used by them at any time.

Our extremely talented social photographer is Graham Farey. A selection of photos taken over the weekend can be found on his Heart and Soul Photography Facebook page, with the full album on the Gallery page at www.ceroc.com.

Forgotten your velour leotard or danced another hole in your favourite Crocs? Don't panic as Balca and her Stand Out Dancewear range are located in the main foyer. www.standoutdancewear.co.uk

There will be no cloakroom facility due to lack of use at previous events. Please be careful with your valuables, and only bring out what you need each night.

By now you will have been given a coloured wristband. You are required to wear your wristband all weekend and they are coloured by gender. You cannot access the main entertainments complex where all the workshops and freestyle dancing are to be held, and where the bars and restaurants are situated, without a correctly coloured wristband. Wristbands will be checked at all entrances and by roaming stewards. When you are wearing a wristband you can leave and re-enter the site at any time.

These wristbands can only be removed with scissors and therefore cannot fall off by accident. If you lose your security wristband you will have to buy a replacement (£99).

In addition to the many advanced workshops this weekend, Ceroc has not forgotten its roots and we will be hosting workshops specifically designed for Beginners. These will be held in the Tempest Studio which is located in the far left corner of the Thunderball Room upstairs. These workshops will be progressive and totally rewarding for all new starters. Commencing at 7pm on Friday and continuing throughout the weekend there will be 5 classes in total.

Based on feedback from past events we also schedule classes for early intermediate dancers so that we appeal to everyone. Look out for (All) or (-Int).

Take a look at the events listing on the back 3 pages of this booklet which lists all the workshops happening during each day of the event. Simply turn up and take part in any of the lessons in the Thunderball Room, The Cyclone or The Tempest Studio. Masterclasses in the Cube will need to be pre-booked at the Weather Information Desk, and numbers are limited.

If you are in need of First Aid, please alert a member of the Ceroc management team or inform Pontins Security.

Terms and Conditions apply and can be found on our website.

You need to check out by 10am on Monday. Please remember to leave your keys at reception or with the security gate upon departure.

SPECIAL THANKS

Our weekend events would not be the success that they are without our exceptional crew. It's the people behind the scenes from set-up through to take down who often go unrecognised and we would therefore like to show our appreciation to all the crew.

Floor Layers, Wristband Checkers, Banner Hangers, Row Organisers, Taxi Dancers, Car Park Attendants, the inimitable Gaynor Crocombe and the Weather Centre team, Registration and the Duty Management Team...you make this event what it is, so thank you.

Special thanks go to Myles Woodhouse and his many set up and pack down 'Bulls', and Graham Farey from Heart-And-Soul Photography for taking our official 'snaps'!

SUN 05 MAY 2019

The London Champs is Ceroc's very own National Institution. Last year, our 20th Championships was the biggest and best yet, with new competitors, new categories, the highest number of first time participants that we have ever celebrated, and some incredible new talent taking home trophies.

The Champs is our longest standing annual national event and odds are on for our 21st Birthday to top them all!

I've been involved with the Champs for the last 18 years and have seen quite a few changes in location and format but can genuinely say that the Champs now is the most fabulous event for both competitors and spectators that it has ever been.

We have made it as easy as possible for regular dancers to take part, so if you haven't competed previously then make this year YOUR year to experience the adrenaline and endorphins that make taking part in the Champs so exciting and addictive.

I'm very proud of this event and would love for you to share the Champs experience with me and our dedicated team.

Hopefully see you there! David Bradley, Event Organiser

Teachers

Adam Deller (ADe)

Adam and partner Leigh are now part of the furniture at Ceroc Escape. Both incredible dancers and talented choreographers, you can always rely on fresh material and the latest concepts from their classes. 'Caught in the Moment' is set to be one of the workshops of the weekend.

Ashley Davis (ADa)

Ashley's veins flow black and orange...a true Ceroc ambassador. The crowds love his DJ sets, and his classes never fail to draw in huge masses. Ashley is the Sensei of SILC at this event, so after attending his classes, make sure you grab him in the Cyclone...this dude is as smooth as a melted caramel.

Becki Rendell (BR)

Queen of 'Ladies Styling' Masterclasses, Becki is responsible for transforming thousands of nervous dance floor shufflers into fierce and fearless follows. This weekend, she will also be championing the 'Charleston' Performance Team Cabaret...we simply can't think of anyone we'd love to spend 3 solid hours with more than the mesmerising Miss Rendell...

Ben Davies (BD)

No doubt you will have watched Ben with awe on the freestyle and competition floors across the country. A stand-out dancer and enthusiastic teacher, his Vintage Blues Masterclass will spark your nostalgia and bring a touch of timeless finesse to your Blues freestyle.

Caine Langford & Danni Moore (C&D)

People literally travel hundreds of miles to attend events hosted by this delicious pair. Bristol SILC Sundays are now renowned as one of THE finest events on the SILC calendar, but with Caine and Danni's combined teaching and DJing prowess, it isn't hard to understand why. This weekend, they progress our most Advanced dancers with 'Scrolls' and 'Signature Moves'.

Dale St Rose (DS)

They don't come cooler than Ceroc Croxley Green's Dale. The original 'Mr Smood' always delivers fresh techniques in his workshops. His characteristic style demonstrates expert musicality, and his classes shed light on how you too can master innovative rhythm in your freestyle.

Dan Hewitt-Green (DHG) (D&M)

Dan's lessons always focus strongly on technique, connection and style. Taking charge of the Blues room (with his Music Maestro Mrs. Miranda) at this event, we are excited to announce 2 very intriguing fusions. Don't miss 'Urban Blues' and 'Latin Blues' workshops for something completely original.

Debbie Attwood (DA)

Debbie is officially Ceroc's sexiest Grandma; a true legend with bucket-loads of charisma and a motivating teaching style. She hosts and manages Blaze and Medfest, our world renowned dance holidays, and anyone who has been travelling with her knows that her lessons are simply not to be missed.

Jamie Eddy (JE)

What Jamie and wife Jen don't know about dancing, to be frank, ain't worth knowing. Jamie's teaching style is relaxed and easy to follow, and feedback from his classes is never short of glowing. This weekend celebrates two brand new classes - 'Strut & Sway' will inject some hardcore attitude into your styling, and 'Lyrical Lines' will set you up for our slower SILC sets.

Karen Toko (KT)

Karen is an incredible dancer specialising in a range of different styles. She is also a highly sought after instructor with an energising teaching style. She also runs multiple successful dance businesses including a Ballroom and Latin school and the spectacular 5* Great Yarmouth Swish Weekender. Some people just have it all...we'd hate her if she wasn't so lovely. She adds Rumba & Quickstep to our Dance Adventure genres this Storm.

Kieran Moore & Charlie Brownlee (K&C) (KM)

When two of the most talented and well-loved teachers join forces, you can expect dance floor magic. This partnership are always pushing the boundaries of dance, and their groundbreaking success with SILC is a testament to their creativity. Their unique teaching style ensures that both leads and follows leave feeling enriched and confident. Spoiler alert...they're rather good.

Lisa Maddocks (LM)

Choreographic Mastermind Lisa has a rich background in Classical and Contemporary dance, and her workshops always deliver something unique. This weekend we are excited by 'Finding The One'...a new and interesting twist to mastering musical interpretation.

Matt Blain & Victoria Pollard (M&V)

This dynamic duo have more competition medals and titles than Pontins has seagulls. Whether you want to learn new moves, fine-tune your style, elevate your technique or strengthen your connection, you need look no further. Their Whips and 'Elegant Eyecatchers' workshops are guaranteed to feature the hottest new moves in the industry.

Natalie Baker (NB)

Delivering a fascinating and interactive Dance and Nutrition workshop, Ceroc teacher and nutritionist Natalie Baker guarantees to make you reconsider your Pontins food shop! Learn how nutrition can deeply affect your performance levels, and how to get the best out of your diet.

Sharon Thorman (STh)

Northern Soul enthusiast Sharon debuts at Storm, sharing her passion and knowledge about her favourite dance style. The euphoria and camaraderie at the heart of this incredible dance are truly infectious...you only need to watch Sharon burn the floor during Motown hour to believe me!

Shaun Dobie (SD)

Our Beginners are very important to us, which is why we are putting them in the capable and caring hands of Shaun. Fun, enthusiastic and friendly, Shaun will teach at your pace, and build your confidence from nervous dance floor shuffler into confident freestyler over 5 fab workshops.

Simona Tatarova (STa)

Queen of the famous Ceroc Cruise, Kent's Simona is the full package. Finesse, vibrancy and an unshakable passion for all things Ceroc, she is the perfect ambassador for our style based workshops this event. Her 'Style Showdown' class is one of the biggest screams you'll have all weekend.

Tamara Domb (TD)

Brighton and Hove legend Tamara is no stranger to the Camber stage, but this is the first time she's had the mic! With two brand new workshops up her sleeves, we are adamant you're going to want her back for more. 'Torchlighting' is a must for the Advanced dancers this weekend.

Tim Sant-Turner (TST)

As Head of Dance for Ceroc, Tim's teaching ability can make the unimaginable seem entirely possible, and his colourful enthusiasm will keep you entertained whilst you learn. His classes are bursting with energy and laughter...except Yoga of course...that would be entirely inappropriate.

Tim Stevens (TS)

Tim continuously pushes the boundaries of styling and musicality to bring you the freshest movements and choreographies. He breathes new and funky life into simple moves to make even the newest dancer look like an accomplished pro. If you want to move like the competition legends, 'Body Isolations' is an exciting styling challenge for high ability dancers.

Toni Sails (ToS)

Mastermind behind the increasingly popular ToneZ DJ sets, London pin-up Toni has already developed a unique style of his own. His brand new 'Afrobeats' Masterclass is a solo workshop that will bring a whole new rhythm to your movement. We cannot WAIT to try it out!

Tony & Hayley Epps (T&H)

These funky freestylers are adrenaline junkies with a passion for high flying aerials and death defying drops. Their sellout Masterclasses are firm favourites at every event. Let's see how brave YOU are this weekend!

Veronika Oliver (VO)

Sexy, sassy and oh so cheeky, Veronika is going to leave a massive impression on our Camber dancers! For the first time ever, Burlesque dancing is on the menu (with an additional BOY-lesque class so the fellas can give it a go too). Grab your feathers and your fans and leave your inhibitions at the door...dare you bring some of this styling on to the Ceroc floor? Your partner won't know what hit them!

Warren & Irina (W&I)

There is no-one more capable than Warren & Irina when it comes to looking after our budding Tango aficionados. New to tango or seasoned pro? Their classes and Milongas are the highlight of the weekend for so many. Their 'Strictly Tango' Masterclass delivers all the wow moves without the months of training...roses not included.
