a weekend like no other

Friday 8th February - Monday 11th February 2019

Welcome to **SWISH 2019!** If this is your very first time experiencing this particular weekender, we wish you a very warm welcome and we hope that you thoroughly enjoy the Swish experience. For those of you returning, we thank you for your continued support. We could not run such a great event without you.

During this Escape weekend, we will be offering you over 30 varied dance workshops together with a number of diverse sporting activities including the Segway Challenge, Giant Swing, Kurling, Rock Climbing Wall, Clay Pigeon Shooting, Archery and the Ultimate Game of Volleyball, to name just a few. New for this year is the 'Swish Party Hour' which is taking place on Saturday evening and the 'White Night' party on Sunday evening.

The Potters Theatre Company have prepared a selection of top quality shows to entertain you after dinner each evening. Freestyle will kick off from 10.00pm continuing until the early hours of the morning. If this wasn't enough and to keep you dancing all night, there will be a midnight snack available too. Saturday night will be an optional smart dress evening (suits and dresses) with a Bucks Fizz reception before dinner.

Please take a moment to read this programme to ensure that you don't miss out on any of the activities.

On behalf of Ceroc and Potters Resort we welcome you to Swish and we hope that you have a fantastic weekend.

Useful Information

Swish DVD 2019

It's impossible to attend all the classes this weekend and how can you remember everything you learn? Well we have the solution!!! We are producing the official Swish DVD which contains the classes from the weekend. The DVD will be available to purchase from Sunday morning at 10.00am from the Ceroc Information Desk at the special discounted rate of £20 (usually £25+p&p online). There is limited availability so grab your copy before they sell out and take it home with you!

(Please note, Ladies Styling, SILC and Waltz classes aren't included)

Fixed Couples In Classes

We completely understand why some couples would wish to dance in classes together. Classes involving lots of drops and/or aerials are perfect to do with a fixed partner, however, Ceroc is built upon a social foundation and we are a community where everyone helps everybody else. Moving around in a class ultimately helps you become a better dancer whether you are leading or following and therefore we would like to kindly request that wherever possible you join in with the main class (rather than remaining fixed) so that everyone has a better Swish experience. We thank you in advance for your understanding and co-operation.

Nu-Line Dance

Over the past six years Tim Sant-Turner has choreographed a line dance which is danced at every single weekender up and down the country and several freestyles. We are always lucky here at Swish being the first weekender to get to learn the new dance. So please don't forget to come and join us on Friday evening in the theatre at 5.45pm to learn this year's new Nu-line!

She then went on to compete against the best of the best and was crowned Ceroc GRAND MASTER 2018.

DJs at Swish 2019

Brett Stewart

Brett may be the Ceroc Disney Prince, but he's a master DJ too! A regular on the DJ scene in Dorset and Southampton, he's well known for playing a great set of classic and funky new tunes for your dancing pleasure, so make sure you get down to his Sunday set.

Buzby Allen (INTERNATIONAL DJ!)

Buzby is one of the resident DJs here at Potters and is renowned for keeping the dance floor packed. Having started Ceroc himself 13 years ago (when Swish began) with his own unique dance style, he hasn't looked back since. He is now part of the Ceroc Cruise team and you will find Buzby in the Theatre spinning the Ceroc Classics prior to showtime.

Denise Jaques

Denise has been dancing for many years and as a result knows exactly what makes a great song to dance too. Regular Ceroc weekender and Eclipse freestyle Silc DJ, Denise is growing in popularity by the minute. Come along to one of her inspirational sets to find out why.

Glen Brooks

With Glen's teaching experience of 16 years, he is also a dab hand on the DJ decks. Knowing exactly what tunes to play to keep you on the dance floor. Ranging from your Ceroc Classics fused with the current tracks of today along with the odd SILC track thrown in for good measure, his sets will appeal to all.

Joe Toko

Joe absolutely loves a good mix of R&B, Chart, Motown and Soul music. Being an impressive dancer himself, Joe plays tracks full of musicality to allow you to express yourselves. He plays modern tracks mixed with timeless Classics and is a very popular DJ in Essex.

Kieran Moore

Starting as a DJ for Ceroc in Birmingham, almost before he was out of nappies, Kieran is now resident DJ and host at many top events in London and the East of the UK. Being brought up on Soul music, Kieran has a strong passion for music and regularly DJs at both national and international dance events. His penchant for all genres makes him hot property on the DJ circuit.

DJs at Swish 2019

Paul Brooks

Paul is the main man here at Swish being responsible for music across the event. He is also Head DJ at the London Ceroc Champs which he has been doing for the last seven years. Before working for Ceroc, Paul was a full time DJ both at weddings and parties and also on the radio. There are no boundaries to his talents and music knowledge.

Robert Ellis

For the last ten years Robert has pioneered the music for Ceroc Fusion's Smooth Nights and other Chillout rooms in the South East of the country. He spends many hours sourcing Smooth, Liquid Latin, Blues and West Coast Swing tracks to ensure the perfect blend of music for his nights. Back for his ninth consecutive DJ year at Swish, Robert is excited to be sharing these with you in the SILC Room over the weekend.

Steve Byde

Steve has been dancing for 13 years, demoing, performing and djjng at weekenders and Ceroc holidays. He is also a resident DJ for venues in Kent. With a background in music, it's as a dancer he's learnt to appreciate what works for Ceroc/SILC and keeps the floor buzzing!

Terry Deacon

Terry was introduced to the world of Ceroc five years ago and has become an established DJ at his very own venue in West Sussex. He is looking forward to making his weekender debut appearance at Swish this year.

champs

Last year, our 20th Championships was the biggest and best yet, with new competitors, new categories, the highest number of first time participants that we have ever celebrated, and some incredible new talent taking home trophies.

The Champs is our longest standing annual national event and odds are on for our 21st Birthday to top them all! I've been involved with the Champs for the last 18 years and have seen quite a few changes in location and format but can genuinely say that the Champs now is the most fabulous event for both competitors and spectators that it has ever been. We have made it as easy as possible for regular dancers to take part, so if you haven't competed previously then make this year YOUR year to experience the adrenaline and endorphins that make taking part in the Champs so exciting and addictive.

I'm very proud of this event and would love for you to share the Champs experience with me and our dedicated team. Hopefully see you there! **David Bradley, Event Organiser**
